1. What did you notice about the way your peer welcomed the student?

2. How did your peer help the student identify and prioritize their goals for the session?

3. What strategies did you observe your peer utilize when reviewing the paper for the session goals that were identified?

4. What strategies did you observe your peer utilize to engage the student in the revision process?

5. How did your peer wrap-up/close the session?
6. How did your peer demonstrate the use of Writing Center Habits of Mind during the session?

7. Are there things you noticed that you would utilize in your own tutoring sessions? Are there things you observed that you think you would do differently?

8. Were there any phrases or prompts the tutor utilized to encourage the student, help set boundaries, or prompt the student to be reflective? What were those phrases/prompts? How would you use these in your own tutoring sessions?

9. Do you have any questions for your supervisor?
